

CERTIFICATE

VOI Service GmbH Certification Authority hereby confirms to

forcont business technology gmbh
Markranstädter Straße 1 | 04229 Leipzig | Germany

that the software product

«forcont factory Suite», version 7.5 with the modules

- forarchive | Archive Manager
- forcontract | Contract Manager (digital contract management)
- forpeople | Staff Manager (digital staff file)
- forprocess | Application Manager

meets all applicable requirements according to the VOI certification program «PK-DML ready» according to the audit criteria for digital document management processes and associated IT solutions of the «Verband Organisations- und Informationssysteme e.V.» (VOI, Bonn, Germany) and «TÜV Informationstechnologie GmbH» (TÜViT, group of companies TÜV NORD, Essen, Germany).

A certification process was performed with report no. VCC 11-24-105 and proof has been provided that the requirements are fulfilled.

The approval mark VOI Compliance Certificate (VCC) «Tested Security» has been granted.

The tested product permits an auditable compliance management of digital documents.

VOI Service GmbH | Certification Authority
Bonn July 03rd, 2024

Peter J. Schmerler / Managing Director

„forcont factory Suite“, Version 7.5
