

CERTIFICATE

VOI-CERT, VOI Service GmbH Certification Authority hereby confirms to

**Janich & Klass Computertechnik GmbH, Zum alten Zollhaus 24,
42281 Wuppertal, Germany**

that the software product:

DpuScan Version 7

meets all applicable requirements according to the VOI-CERT certification program „TR-RESISCAN ready: Software, Version 1.4” based on the technical specifications of TR-RESISCAN (TR-03138) by the Federal Office of Information Security (BSI) Germany.

A certification process was performed with report no. VCC 12-24-108 and proof has been provided that the requirements are fulfilled.

The approval mark VOI Compliance Certificate (VCC) «Tested Security» has been granted.

VOI Service GmbH | Certification Authority
Bonn August 21st, 2024

Peter J. Schmerler / Managing Director
